## Kettle Moraine Equine Lions Club

*" We Serve "*

## About Us

The Kettle Moraine Equine Lions Club (KMELC), is a newly formed Specialty Branch Club of the Hales Corners Lions Club, with a special focus. We are very excited to announce that this is the first Equine Lions Club chartered in the United States.

The current focus of the club is to support the efforts of Horse Power Healing Center in expanding its Equine-Assisted Therapeutic and Veteran Programs.

In the future we will support other projects for Equine clubs and organizations.

## Membership

Membership in the KMELC, as with all Lions clubs, is by invitation. Membership is open to all men and women over the age of 18 who are willing to serve the needs of our community. You need to fill out an application for membership and pay the initiation fees and club dues. A member of the Club will ordinarily sponsor you, although Lions from other clubs can (and do) sponsor new members. Your application for membership is submitted to the Club's board of directors for approval. Once approved, you will be inducted into the club at a regular club meeting.

### Costs?

Dues are \$100.00 annually. Payment can be made all at once or \$25.00 every four months. These funds are used for the club administrative costs, and include membership in the State and International organizations.

When you first join the Club, Club dues are pro rated and there is a one-time entrance fee of \$35.00. There are also discounts if you are a student, veteran, or if you and one or more family members join the Club.

100% of funds raised from the public are used for charitable purposes; no funds are used for club administration costs.

### When do we meet?

KMELC meets at 6:30pm the 3rd Tuesday of the month from September to May at the Ale Station Food & Brew in East Troy, WI. You are not required to attend meetings. However, we encourage attendance to get to know the other members and learn more about Lions activities.

### Events

Our members are diverse and have widely varying degrees of work and home responsibilities that change over time. Some choose to support Lions financially; others enjoy fundraising and service projects while others are active in the administration of club programs. You are not required to participate in events.

*We serve.  
We hope you will join us!*
