

Help the Magical Moments Happen! Sponsor a Veteran or their Horse

We invite you, your group or business to sponsor a Veteran or Therapy horse at Horse Power Healing Center. Sponsors can include individuals, families, corporations or organizations. Sponsorship may also be in memory of a certain person or animal.

Horse for Heroes program for Veterans, Military personnel and their families.

HPHC believes that each veteran has more than paid their dues by their service in the military protecting America's freedom and HPHC offers the "Horses for Heroes" group programs free of charge. Discounted individual private lessons are also available.

Each year we offer a Military Kids Day at the farm, where the whole family can enjoy activities and fun with the horses. HPHC Veterans are also able to attend Horse shows and ride or do groundwork classes.

Some of the numerous success stories include

- ◆ A man who had low self-esteem and is now thriving in his job due to his increase in self-confidence from working with the horses.
- ◆ A man who is completely wheelchair bound is able to ride and loves the independence he feels when riding on the horse, plus riding helps improve his upper body/core strength.
- ◆ A woman who has PTSD issues not only learned how to ride but loved the program so much she went and purchased her own horse.

Therapy horse sponsorship- The horses provide physical, emotional and psychological benefits to the children and adults in our programs. Your sponsorship provides funding to support the annual costs for the horses.

Our Mission:

" To provide all individuals, who are physically, mentally, or emotionally challenged, with healing empowerment through horses. Equine-oriented activities help facilitate the ability of individuals to reach their full potential by enhancing self-esteem and self-confidence."

Heal, Grow, and Hope through the power of Horses.
